Please write in your own words a specific statement of what you believe your lawyer did that was wrong. Please try to give mainly factual examples of your attorney's misconduct. To the extent possible, include each date you contacted your lawyer, what occurred on that date, what it was that you believe your attorney did wrong on that date, and the names, addresses, and telephone numbers of the people who were present with you. Please attach additional pages as necessary; a narrative explanation of the problem is required. You must include any information which you would like the Board to consider in its evaluation of your complaint.

If you assign this Complaint for investigation, I consent that your investigator may see and copy my papers and obtain any information necessary to a complete investigation from any lawyers who now or ever did represent me.
