Re: The Matter of Stuart Stein
Disc. No. 06-2003-458

Dear Mr. Stein:

I received your subpoena. I cannot comply with it because it would require me to violate attorney-client privileges with many clients, including Peter Bogarosh.

I will bring item number 10 - biography.

I will attend the deposition on October 17, 2003, but will not bring any materials related to my clients, nor will I answer any questions about client matters. Again, the reason is that attorney-client privilege requires that I not disclose client matters to outside third parties.

Sincerely yours,

Larry Kay
